8299.05.

(2) The commission shall, to the extent feasible, coordinate with other state agencies and local building departments to ensure that information provided to the public on disability access requirements is uniform and complete.

(c) The commission may recommend, develop, prepare, or coordinate materials, projects, or other activities, as appropriate, relating to any subject within its jurisdiction.

(d) The commission shall provide, within its resources, technical information regarding any of the following:

(1) Preventing or minimizing problems of compliance by California businesses by engaging in educational outreach efforts and by preparing and hosting on its Internet Web site a Guide to Compliance with State Laws and Regulations Regarding Disability Access Requirements.

(2) Recommending programs to enable persons with disabilities to obtain full and equal access to public facilities.

(e) The commission shall make reports on its activities, findings, and recommendations to the Legislature from time to time, but not less often than once during every odd-numbered year, on or before May 1 of that year, commencing in 2011.

8299.06. The commission, as soon as practicable, but in no event later than July 1, 2010, shall develop, in consultation with the staff of the California Building Standards Commission, a master checklist for disability access compliance that may be used by building inspectors.

8299.06.

(c) The commission shall develop and make available on its Internet Web site, or make available on its Internet Web site if developed by another governmental agency, including Americans with Disabilities Act centers, toolkits or educational modules to assist a California business to understand its obligations under the law and to facilitate compliance with respect to the top 10 alleged construction-related violations, by type, as specified in subdivision (a) of Section 8299.08. Upon completion of this requirement, the commission shall develop and make available on its Internet Web site, or work with another agency to develop, other toolkits or educational modules that would educate businesses of the accessibility requirements and to facilitate compliance with that requirement.

(d) The commission shall post on its Internet Web site educational materials and information that will assist building owners, tenants, building officials, and building inspectors to understand the disability accessibility requirements and to facilitate compliance with disability access laws. The commission shall at least annually review the educational materials and information on disability access requirements and compliance available on the Internet Web site of other local, state, or federal agencies, including Americans with Disabilities Act centers, to augment the educational materials and information developed by the commission.
